Dear Mr. Webster:

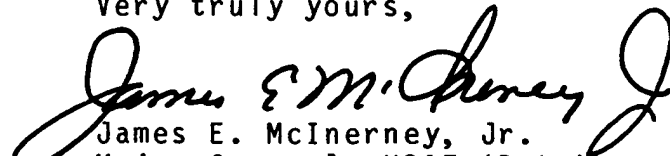

On behalf of the Washington Chapter, American Defense Preparedness Association (ADPA), I invite you and your guest to a formal (Black Tie) International Reception to be held October 27, 1987, at the Shoreham Hotel. The Reception will honor the NATO Ambassadors - all of whom attended our last International Reception. Senator Nunn will be presented an ADPA award for his contributions to strengthening the Alliance.

The Chapter guest list will include each of the NATO Ambassadors, the Defense Attaches, the Chairmen and Ranking Members of the Congressional Committees responsible for foreign and defense relations as well as senior officials from State and Defense. We expect that many other members of Congress and the Service Attaches will be guests of industry.

In keeping with the tradition of our past international meetings, the Reception will begin at 7 p.m. in the Regency Ballroom and conclude at 9 p.m. A military fife and drum corps will conduct an appropriate ceremony.

I hope you are able to attend this important event as a guest of the Washington Chapter, ADPA. Please reply to Ms. Yvonne Bucco at (703) 548-9200.

Very truly yours,

James E. McInerney, Jr.
Major General, USAF (Ret.)
President - Washington Chapter
